Letter from the Chairman

Dear Shareholder

Annual General Meeting

I am writing to provide you with information about the 2020 Annual General Meeting ("AGM") of Secure Trust Bank PLC ("STB").

The AGM will be held on Wednesday 24 June 2020 at (Upper) Ground Floor, Abbey Gardens, Reading, RG1 3BA at 10.00 am.

I am enclosing a Notice of AGM, which provides information about the resolutions to be proposed at the AGM and a separate Form of Proxy. All the resolutions will be voted on by a poll, rather than on a show of hands. This is a more transparent method of voting as shareholder votes are counted according to the number of shares held. As soon as practicable following the AGM, the results of the voting and the numbers of proxy votes cast for and against and the number of votes actively withheld in respect of each of the resolutions will be placed on STB's website at <https://www.securetrustbank.com/investors/news-announcements/corporate-news>.

The Report and Accounts in respect of the financial year ended 31 December 2019 ("Report and Accounts") and the Directors' Remuneration Policy are available on STB's website at www.securetrustbank.com and a copy is also enclosed with this document.

What to do next

Information about attending and voting at the AGM and how to appoint a proxy on your behalf is on pages 6 to 8 of this document. Completed Forms of Proxy, together with the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power of attorney or other authority, must be lodged with Link Asset Services by no later than 10.00 am on 22 June 2020 (or, in the event of any adjournment, on the date which is 48 hours before the time of the adjourned Annual General Meeting). All Forms of Proxy must be signed and returned to Link Asset Services, PXS 1, The Registry, 34 Beckenham Road, Beckenham, Kent, BR3 4ZF. All Forms of Proxy from the same member must be returned together in the same envelope. Further information about voting, including via CREST, is set out in the notes on pages 6 to 8 of this document.

Explanatory Notes

Explanatory notes on each of the resolutions to be considered at the AGM are set out on pages 9 to 12 of this document.

Recommendation

The Directors are satisfied that all the resolutions to be considered at the AGM are in the best interests of STB and shareholders as a whole. Accordingly, the Directors unanimously recommend that you vote in favour of the resolutions, as they intend to do in respect of their own beneficial shareholdings in STB.

The Board recommends the election and re-election of all the Directors nominated in resolutions 2-8 because each Director either seeking election or re-election demonstrates or continues to demonstrate the skills, judgement and character which, in combination with extensive relevant commercial experience, make each individual a valuable director of STB. Biographical information for all Directors is shown in appendix 1 to this document, and also on pages 64 to 66 of the Report and Accounts.

The Board also recommends the adoption of the Directors Remuneration Policy in resolution 11 and as set out on pages 96 to 105 of the Report and Accounts as the Policy establishes a framework for an appropriate remuneration package for Directors, balancing shareholder views and a competitive and commercial reward for driving shareholder returns and growth.

We have been closely monitoring the impact of the Covid-19 virus in the United Kingdom and observing all government directions to ensure the health and wellbeing of all of our stakeholders including our Board. Given the Stay at Home Measures implemented by the Government, it is evident that we will sadly not be able to hold an AGM where we can accommodate shareholders attending in person. Given the restrictions in place currently, adjustments to how the AGM will be conducted will be necessary and this year the meeting will be purely functional and solely to comply with relevant legal requirements and to allow shareholders to vote by proxy on important annual business. We will be continuing to monitor government advice, however our current expectation is that the quorum requirement of two persons required under the Company's articles of association will be formed by the CEO and the Chairman. There will be no speeches or presentations and no other directors or management will be in attendance. Accordingly, admission to the AGM in person will be refused. Further information will be made available at: <https://www.securetrustbank.com/investors>.

The Board is keen that shareholders exercise their right to vote and, accordingly, encourages shareholders to submit the provided proxy forms, appointing the Chairman of the meeting, in line with the explanatory notes to this notice.

The Board would like to thank you for your patience and understanding in these uncertain times.

Yours sincerely

Lord Forsyth
Chairman

provided that such powers shall be limited to:

- (1) the allotment or sale of equity securities in connection with a rights issue, open offer or other pre-emptive offer (but in the case of an allotment pursuant to the authority conferred by paragraph (b) of resolution 13, such powers shall be limited to the allotment of equity securities in connection with a rights issue only) in favour of holders of ordinary shares and any other persons who are entitled to participate in such issue or offer or sale where the equity securities offered to each such holder and other person are proportionate (as nearly as may be) to the respective numbers of ordinary shares held or deemed to be held by them on the record date applicable to such issue or offer, but subject to such exclusions or other arrangements as the Directors may deem fit to deal with fractional entitlements, legal or practical problems arising under the laws of any overseas territory, the requirements of any regulatory body or stock exchange or by virtue of shares being represented by depository receipts or by virtue of any other matter whatever; and

Notes of Annual General Meeting

NOTES

1. Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the Annual General Meeting and any adjournment(s) of the Annual General Meeting. Given the circumstances of the 2020 AGM, we would encourage you to appoint the chairman of the meeting as your proxy and to vote electronically at www.signalshares.com, noting that all non-essential persons will be denied entry to the AGM. A shareholder may, however, appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. To appoint more than one proxy, please contact the Company's registrar, Link Asset Services:

- by post at Link Asset Services, PXS 1, The Registry, 34 Beckenham Road, Beckenham, Kent, BR3 4ZF;
- electronically at www.signalshares.com;
- by telephone on 0371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. We are open between 09:00 – 17:30, Monday to Friday excluding public holidays in England and Wales; or
- by email via enquiries@linkgroup.co.uk. You will need your investor code located on your share certificate or tax voucher.

It will need to be stated clearly on each proxy form the number of shares in relation to which the chairman of the meeting is appointed as proxy. Failure to specify the number of shares to which each proxy appointment relates or specifying a number in excess of those held by the shareholder will result in the proxy appointment being invalid. A proxy form which may be used to make such appointment and give proxy instructions accompanies this document. If you do not have a proxy form and believe that you should have one, or if you require additional forms, please contact the Company's registrars, Link Asset Services.

Secure Trust Bank PLC is committed to reducing paper and improving efficiency in its shareholder communications. From 2021 we will no longer be sending paper proxy cards to shareholders unless specifically asked to do so. We will provide advice on how to request a paper proxy at the appropriate time.

2. To be valid any proxy form must be received:

- by post or (during normal business hours only) by hand to Link Asset Services, PXS 1, The Registry, 34 Beckenham Road, Beckenham, Kent, BR3 4ZF;
- electronically at www.signalshares.com or
- the case of shareholders holding their shares through CREST, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out in paragraphs 8 to 11 below,

by no later than 10.00 a.m. on 22 June 2020 (or, in the event of any adjournment, on the date which is 48 hours before the time of the adjourned Annual General Meeting).

3. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
4. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.
5. In the case of a member which is a company, the proxy form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.
6. Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form.
7. The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in paragraphs 8 to 15 below) will not prevent a member attending the Annual General Meeting and voting in person if he/she wishes to do so. We would remind shareholders, however, that given the circumstances of the 2020 AGM, all non-essential persons will be denied entry to the AGM.
8. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

9. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/en/about/our-rules.html). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent, Link Asset Services, (ID RA10) by 10.00 a.m. on 22 June 2020. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
10. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred to the CREST Manual concerning practical limitations of the CREST system and timings.
11. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
12. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If you either select the "Discretionary" option or if no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she decides in relation to any other matter which is put before the meeting.
13. Shareholders may change proxy instructions by submitting a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded. Where you have appointed a proxy using the hard-copy proxy form and would like to change the instructions using another hard-copy proxy form, please contact the Company Registrars, Link Asset Services by one of the methods outlined above.
14. A shareholder may change a proxy instruction but to do so you will need to inform the Company in writing by either:
 - Sending a signed hard-copy notice clearly stating your intention to revoke your proxy appointment to Link Asset Services, PXS 1, The Registry, 34 Beckenham Road, Beckenham, Kent, BR3 4ZF. In the case of a shareholder which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.
 - Sending an email to enquiries@linkgroup.co.uk. You will need your investor code which is located on your share certificate or tax voucher.

In either case, the revocation notice must be received by the Registrar no later than 10.00 a.m. on 22 June 2020. If you attempt to revoke your proxy appointment but the revocation is received after the time specified, your original proxy appointment will remain valid unless you attend the meeting and vote in person. Appointment of a proxy does not preclude you from attending the meeting and voting in person. If you have appointed a proxy and attend the meeting in person, your proxy appointment will automatically be terminated. Given the circumstances of the 2020 AGM, we would encourage you to appoint the chairman of the meeting as your proxy given that all non-essential persons will be denied entry to the AGM.
15. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that such corporation does not do so in relation to the same shares and that no more than one corporate representative exercises powers over the same shares.
16. Any person to whom this document is sent who is a person nominated under section 146 of the Act to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
17. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 1 to 7 and paragraph 12 to 14 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.

Notes of Annual General Meeting

18. To be entitled to attend and vote at the Annual General Meeting (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company by close of business on 22 June 2020 (or, in the event of any adjournment, on the date which is 48 hours before the time of the adjourned Annual General Meeting). Changes to the Register of Members after the relevant deadline will be disregarded in determining the right to attend and vote at the Annual General Meeting.
19. Shareholders should note that it is possible that, pursuant to requests made by shareholders of the Company under section 527 of the Act, the Company may be required to publish on a website a statement setting out any matter relating to:
- (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the meeting; or
 - (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with section 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website.

The business which may be dealt with at the meeting includes any statement that the Company has been required under section 527 of the Act to publish on a website.

The request:

- may be in hard copy form or in electronic form (see note 24 below);
 - either set out the statement in full or, if supporting a statement sent by another shareholder, clearly identify the statement which is being supported;
 - must be authenticated by the person or persons making it (see note 24 below); and
 - be received by the Company by 15 June 2020 which is at least one week before the meeting.
20. As at 6 May 2020 the latest practicable date before publication of this Notice, the Company's issued share capital comprised 18,622,664 ordinary shares of 40p each. Each ordinary share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at 6 May 2020 is 18,622,664. A copy of this document and further information about the Annual General Meeting, including the information required by section 311A of the Act, can be found at the Company's website at www.securetrustbank.com.
21. You may not use any electronic address provided either in this Notice or any related documents to communicate with the Company for any purpose other than those expressly stated. Shareholders who have general queries about the meeting should use the following means of communication (no other methods of communication will be accepted):
- contacting the Company Secretary by email at CompanySecretariat@securetrustbank.co.uk.
22. Any member attending the Annual General Meeting has the right to ask questions. We would remind shareholders, however, that given the circumstances of the 2020 AGM, all non-essential persons will be denied entry to the AGM. The Company has to answer any questions raised by members at the meeting which relate to the business being dealt with at the meeting unless:
- to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information,
 - the answer has already been given on a website in the form of an answer to a question, or
 - it is undesirable in the interests of the Company or the good order of the meeting to answer the question.
23. Documents available for inspection.
- The following documents are available for inspection at the registered office of the Company at One Arleston Way, Solihull, B90 4LH during usual business hours on any weekday (public holidays excepted) and will also be available for inspection at the Annual General Meeting venue from at least 15 minutes before the Annual General Meeting until it ends:
- a copy of this document,
 - a copy of the Company's articles of association,
 - copies of the service contracts or letters of appointment of the Directors of the Company, and
 - the Report and Accounts.
24. Submission of hard copy and electronic requests and authentication requirements. Where a shareholder or shareholders wish to request the Company to publish audit concerns (see note 19), such request must be made by either sending:
- A hard copy request which is signed by you, states your full name and address to Company Secretary, Secure Trust Bank, 67 Lombard Street, London EC3V 9LJ.
 - A request which states your full name and address, to companysecretariat@securetrustbank.co.uk. Please state "AGM" in the subject line of the email.

Explanatory Notes to the Notice of Annual General Meeting

The Notice of the Annual General Meeting of the Company to be held on Wednesday, 24 June 2020 is set out on pages 2 to 5 of this document. The following notes provide an explanation of the resolutions to be put to shareholders.

Resolutions 1 to 14 are ordinary resolutions. These resolutions will be passed if more than 50% of the votes cast for or against are in favour.

Resolution 1 – Presenting the Accounts

1. The Directors are required by the Act to present to the shareholders of the Company at a general meeting the reports of the Directors and auditor and the audited accounts of the Company for the year ended 31 December 2019. The reports of the Directors and the audited accounts have been approved by the Directors and the report of the auditor has been approved by the auditor and a copy of each of these documents may be found in the Report and Accounts.

Resolutions 2 to 7 – Re-election of Directors

- 2-7. In accordance with the UK Corporate Governance Code, all of the Directors other than Paul Marrow are seeking re-election as a Director. Biographical information for the relevant Directors is shown on pages 64 to 66 of the Report and Accounts and appendix 1 of this document. Details of why the Board believe that the relevant Directors should be re-elected are included in the Governance Report in the Report and Accounts and in the letter from the Chairman in this document.

Resolution 8 – Appointment of Director

8. Biographical information for the relevant Director is shown on pages 64 to 66 of the Report and Accounts and appendix 1 of this document. Details of why the Board believe that the relevant Director should be appointed is included in the Governance Report in the Report and Accounts and in the letter from the Chairman in this document. Mr David McCreadie was appointed as a Director on 17 December 2019 and this is the first time he will have submitted himself to shareholders for election as a Director.

Resolutions 9 and 10 – Re-Appointment of auditor and authority for the Directors to determine their remuneration

9. The Act requires that an auditor is appointed at each General Meeting at which accounts are laid to hold office until the next such meeting. The resolution seeks shareholder approval for the re-appointment of Deloitte LLP. The Audit Committee keeps under review the independence and objectivity of the external auditor, further information on which can be found in the Audit Committee report in the Report and Accounts. After considering relevant information, the Audit Committee recommends to the Board that Deloitte LLP be re-appointed.
10. Resolution 10 proposes that the Directors be authorised to determine the level of the auditor's remuneration.

Resolution 11

11. The Directors' Remuneration Policy is subject to a binding shareholder vote by way of ordinary resolution at least once every three years.

Resolution 12

12. The Act requires the Company to seek an advisory shareholder vote on the Directors' Remuneration Report on an annual basis. Resolution 12 deals with this. This is an advisory vote only and therefore no entitlement to remuneration is conditional on this resolution being passed. The Directors' Remuneration Report consists of two elements; an annual statement, which is shown on pages 82 to 86 of the Report and Accounts, and an annual report on remuneration, which starts at page 86 of the Report and Accounts and concludes on page 95 (together the "Directors' Remuneration Report"). The report contains information on the remuneration the Directors each received in the year under review.

Resolution 13 – Authority to the Directors to allot shares

13. The Act provides that the Directors may only allot shares if authorised by shareholders to do so. Resolution 13 will, if passed, authorise the Directors to allot shares and to grant rights to subscribe for or convert securities into shares. The Company sought and received this authority at the 2019 Annual General Meeting. The Directors are seeking to renew this authority with shareholders to retain the flexibility contemplated in this resolution in a manner consistent with other Main Market companies.

Paragraph (a) of the resolution will enable the Directors to allot and issue new shares in whatever manner (subject to pre-emption rights) they see fit, up to £2,483,021 (equal to approximately one-third of the issued ordinary share capital of the Company as at 6 May 2020, the latest practicable date prior to the publication of this Notice).

Paragraph (b) will give the Directors additional authority to allot relevant securities in connection with a rights issue up to an aggregate nominal amount of £4,966,043 (less any ordinary shares issued under paragraph (a) of this resolution). This amount (before any reduction) represents approximately two thirds of the issued ordinary share capital of the Company as at 6 May 2020, the latest practicable date before the publication of this Notice and is considered routine by the Investment Association.

The authority will expire at the earlier of the date that is 15 months after the date of the passing of the resolution and the conclusion of the next Annual General Meeting of the Company.

Explanatory Notes to the Notice of Annual General Meeting

Passing resolution 13 will ensure that the Directors continue to have the flexibility to act in the best interests of shareholders when opportunities arise by issuing new shares. There are no current plans to issue new shares except in connection with employee share schemes.

As at 6 May 2020, the latest practicable date prior to the publication of this document, the Company had 18,622,664 ordinary shares of 40 pence each in issue. The Company held no treasury shares as at that date.

Resolution 14 – Authority to the Directors to allot shares in relation to the issue of AT1 Securities

14. Under the EU Capital Requirements Regulation (“CRR”), the Company must maintain a minimum amount of Tier 1 capital, which is defined as a percentage of its risk weighted assets. Part of that Tier 1 capital may be held in the form of AT1 Securities. To qualify as Tier 1 capital, the terms of any AT1 Securities issued must satisfy certain conditions under the CRR which are designed to increase the stability of the issuer in adverse financial circumstances. This includes a requirement that the AT1 Securities automatically convert into or be exchanged for ordinary shares in the Company in certain prescribed circumstances, such as the Company’s Tier 1 ratios falling below a specified level.

The effect of resolution 14 is to give the Directors the authority to allot shares in the Company or grant rights to subscribe for, or to convert any security into, shares in the Company in connection with the issue of AT1 Securities up to an aggregate nominal amount of £2,483,021 (equal to approximately one third of the issued ordinary share capital of the Company as at 6 May 2020, the latest practicable date prior to the publication of this Notice).

This authority is not contemplated by the guidance issued by the Investment Association and is in addition to the authority proposed in resolution 13, which is the usual authority sought on an annual basis in line with guidance issued by the Investment Association. The authority sought in resolution 14 will be utilised as considered desirable to comply with or maintain compliance with regulatory capital requirements or targets applicable to the Company from time to time.

The authority will remain in force until the end of the Annual General Meeting in 2021 or 15 months after the date the resolution is passed, whichever is earlier.

The Directors believe it is in the best interests of the Company to have the flexibility to issue AT1 Securities from time to time. Before deciding to use the authority sought in resolution 14, the Directors would take into account a number of factors including the specific regulatory requirements at the time, the Company’s overall capital structure and the regulatory and market assessment of appropriate capital ratios as well as market conditions at the time and demand for the issue of AT1 Securities. However, the request for authority in resolution 14 should not be taken as an indication that the Company will or will not issue any or any given amount of AT1 Securities.

Resolutions 15 to 19 are special resolutions. These resolutions will be passed if not less than 75% of the votes cast for or against are in favour.

Resolution 15 and 16 – Partial Disapplication of Statutory Pre-emption Rights

- 15-16. The Act requires that where shares are issued or treasury shares are sold for cash they must first be offered to the existing shareholders in proportion to their existing holdings on a pre-emptive basis in accordance with a particular procedure. The Directors believe that this would be too restrictive to enable the Company to take advantage of opportunities which may arise. The Directors are therefore seeking authority (with resolutions 15 and 16) to be able to issue shares or sell treasury shares for cash in certain circumstances without complying with the statutory pre-emption procedure.

The Pre-Emption Group’s Statement of Principles, supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities and sales of treasury shares for cash representing no more than 5 per cent of issued ordinary share capital (exclusive of treasury shares), without restriction as to the use of proceeds of those allotments.

Accordingly, resolution 15 allows the Directors to allot shares and sell treasury shares for cash (i) in connection with a rights issue, open offer or other pre-emptive issue or sale or (ii) in connection with a non-pre-emptive issue or sale for cash which is limited to securities of an aggregate nominal value of £372,453, equivalent to 5 per cent of the total issued ordinary share capital of the Company excluding treasury shares as at 6 May 2020, without first having to offer them to existing shareholders in proportion to their holdings.

The Pre-Emption Group’s Statement of Principles also supports the annual disapplication of pre-emption rights in respect of allotments of shares and sales of treasury shares for cash representing no more than an additional 5 per cent of issued ordinary share capital (exclusive of treasury shares), to be used only in connection with an acquisition or specified capital investment.

Accordingly, and in line with the template resolutions published by the Pre-Emption Group in May 2016, the purpose of resolution 16 is to authorise the Directors to allot new shares pursuant to the allotment authority given by resolution 13, or sell treasury shares, for cash up to a further nominal amount of £372,453, equivalent to 5 per cent of the total issued ordinary share capital of the Company as at 6 May 2020, excluding treasury shares, only in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

The Board intends to adhere to the provisions in the Pre-Emption Group's Statement of Principles and not to allot shares or other equity securities or sell treasury shares for cash on a non-pre-emptive basis pursuant to the authority in resolutions 15 and 16 in excess of an amount equal to 7.5 per cent of the total issued ordinary share capital of the

Company (excluding treasury shares) within a rolling three-year period, other than with prior consultation with shareholders or in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The authority will expire at the earlier of the date that is 15 months after the date of the passing of the resolution and the conclusion of the next Annual General Meeting of the Company.

Resolution 17 – Disapplication of Statutory Pre-emption Rights in relation to an issue of AT1 Securities

17. The effect of resolution 17 is to give the Directors authority to allot equity securities pursuant to any proposal to issue AT1 Securities, without first offering them to existing shareholders in proportion to their holdings.

This will allow the Company to manage its capital in the most efficient and economic way for the benefit of shareholders. If passed, resolution 17 will authorise the Directors to allot shares and grant rights to subscribe for or to convert any security into shares in the Company on a non-pre-emptive basis in whatever manner they see fit in connection with an issue of AT1 Securities up to an aggregate nominal amount of £2,483,021 (equal to approximately one third of the issued ordinary share capital of the Company as at 6 May 2020, the latest practicable date prior to the publication of this Notice).

The authority sought in resolution 17 will be utilised as considered desirable to comply with or maintain compliance with regulatory capital requirements or targets applicable to the Company.

The authority will remain in force until the end of the Annual General Meeting in 2021 or 15 months after the date the resolution is passed, whichever is earlier.

Resolution 18 – Purchase of Own Shares by the Company

18. If passed, this resolution will grant the Company authority for a period of up to 15 months after the date of passing of the resolution to buy its own shares in the market. The resolution limits the number of shares that may be purchased to approximately 10% of the Company's issued share capital. The price per ordinary share that the Company may pay is set at a minimum amount (excluding expenses) of 40 pence per ordinary share and a maximum amount (excluding expenses) which is the higher of (1) an amount equal to 5% above the average of the closing middle market price of the ordinary shares (as derived from the London Stock Exchange Daily Official List) for the 5 business days immediately preceding the date on which the share is contracted to be purchased and (2) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share on the trading venues where the purchase is carried out.

The Directors' present intention is that shares purchased pursuant to this authority will be cancelled immediately on purchase. Alternatively, the shares may be held in treasury, sold for cash or (provided Listing Rule requirements are met) transferred for the purposes of or pursuant to an employees' share scheme. The effect of any cancellation will be to reduce the number of shares in issue. For most purposes, while held in treasury, shares are treated as if they have been cancelled (for example, they carry no voting rights and do not rank for dividends). The Directors will only make purchases under this authority if they believe that the effect of such purchases (where such shares are purchased for cancellation) would result in increased earnings per share and would be in the interests of the shareholders generally.

The authority will expire at the earlier of the date that is 15 months after the date of the passing of the resolution and the conclusion of the next Annual General Meeting of the Company.

Resolution 19 – Approving the Notice Period for General Meetings

19. In order to maintain its ability to call general meetings (other than an Annual General Meeting) on 14 clear days' notice, the Company must offer all shareholders the ability to appoint a proxy electronically (via the website of the Company or its registrars) and must obtain the approval of its shareholders by means of a special resolution passed each year. Resolution 19 seeks such approval.

It is intended that a similar resolution will be proposed at future Annual General Meetings. It is not the Company's intention to utilise this authority in the ordinary course of business and only in exceptional circumstances where flexibility regarding the calling of general meetings is required.
